

Dyslexia Questionnaire

This questionnaire is designed for children aged six plus. Please answer Yes or No to each question. If you're not sure, go with the answer that feels right most of the time.

1. Does your child confuse left and right? **Yes/No**
2. Does your child reverse the letters d and b (bog rather than dog)? **Yes/No**
3. Does your child write letters and numbers the wrong way round? **Yes/No**
4. Does your child reverse letters or numbers in a word or number (gose for goes, 47 for 74)? **Yes/No**
5. Does your child find it hard to learn their times tables? **Yes/No**
6. Does your child have difficulty learning and/or retaining phonics sounds (ch, sh)? **Yes/No**
7. Does your child have difficulty blending letter sounds together (spl, tr)? **Yes/No**
8. Does your child find it hard to remember a word just read? **Yes/No**
9. Can your child read the words that are there (decode) but struggle to understand what they've read? **Yes/No**
10. Do they dislike reading long books? **Yes/No**
11. Is your child's spelling poor? **Yes/No**
12. Does your child understand instructions/information better when it's spoken rather than written? **Yes/No**
13. Does your child dislike reading out loud? **Yes/No**
14. Does your child forget instructions if there are multiple parts? **Yes/No**
15. Does your child find it hard to do maths in their head without paper or fingers? **Yes/No**

If the majority of answers are Yes, your child may have dyslexic tendencies.

Please feel free to discuss this further with your child's school, or get in touch with Tutor My Kids for further details about dyslexia screening and for advice.
